Discover the mysteries of the Bosnian pyramids and enjoy the healing harmonies of crystal singing bowls during this one-of-a-kind immersive lecture and musical presentation.

PYRAMIDS: TECHNOLOGY OF THE ANCIENTS

Dr. Sam Osmanagich, director of Center for Archaeology and Anthropology at American University in Bosnia-Herzegovina, shares his comprehensive investigation into pyramids around the world. His presentation will include archaeological, scientific, energy, spiritual, and healing aspects of the pyramid energy.

CRYSTAL SINGING BOWL CONCERT

Immediately following the presentation there will be a relaxing crystal singing bowls performance presented by **Ann Vannoy**, a lifelong musical educator. By listening to the bowl's vibrant tones one may experience heightened wellness and relaxation.
